

February 1, 2011

Dear Spring Breeze resident:

The Spring Breeze Community Association Board of Directors reminds you that SBCA has resumed enforcement of the parking rules contained in the SBCA bylaws. Specifically, these bylaws state that there is no reserved parking on SBCA property. As such, your item serves no purpose and is considered abandoned property. If it remains on community property, it will be disposed of by SBCA three days from the date of this letter.

Thank you for helping to maintain our community's positive appearance.

SBCA Board of Directors
